Welcome to Optimist International!

Congratulations on your decision! **You** have chosen to go “the extra mile” by becoming a Member of Optimist International. The idea of a service organization which is a *Friend of Youth* was created by people just like *you*, dedicated to going beyond the expected measure and giving more. We want you to know how much we appreciate you! Without your dedication and drive, Optimism is just a word.

You are important to your Club and to Optimist International. We have designed this program for *you*. The intent is to assist you in better understanding the Optimist organization. Use the material in this module to help you in getting the most from your Optimist Club membership.

Optimism is an intangible commodity and not easily measured. You may never *fully know* how much good *your* efforts will bring; however, we’ve found the response to be continuous and positive. Optimists know we cannot provide too much assistance to the youth growing up in this complex world.

Being involved in an Optimist Club has many rewards. You will build friendships, refine personal leadership skills, expand social and business circles and develop Optimism as a way of life. You will also know that *you* have made the difference in the lives of many children. This is a feeling no words can describe.

Again, congratulations for choosing to become an Optimist! Enjoy giving something to your community.

Lack of awareness is the same as no choice. If we give new choices to the youth of today, they may create a better tomorrow.

HISTORY OF OPTIMIST INTERNATIONAL

A group of New York businessmen began meeting for lunch on a regular basis in 1911. They organized their group as “The Optimist Club of Buffalo.” Originally, Optimists were sharing the benefits of networking. However, focus quickly turned to youth work. The original Club was so successful that similar groups began to form across the United States.

On June 19, 1919, representatives from eleven Optimist Clubs met in Louisville, Kentucky. It was here that Optimist International was formed. With the belief the giving of one’s self in service to others would advance the well-being of man, his community and the world, the *purposes* of the Optimist Club were clearly defined.

PURPOSES OF OPTIMIST INTERNATIONAL

- To develop optimism as a philosophy of life utilizing the tenets of the *Optimist Creed*,
- To promote an active interest in good government and civic affairs;
- To inspire respect for the law;
- To promote patriotism and work for international accord and friendship among all people;
- To aid and encourage the development of youth, in the belief that the giving of one’s self in service to others will advance the well-being of humankind, community life and the world.

The first Optimists started day camps and homes for delinquent youth, organized father son weeks and sponsored Junior Optimist Clubs. Then--as now--the service projects reflected the “signs of the times” and the needs of the communities the Clubs serviced. “Friend of Youth” eventually replaced the original motto as the membership reached out into communities.

In 1912, author Christian D. Larson published “Your Forces and How to Use Them.” Within the pages of the book was a creed which was adopted by Optimist International as the *Optimist Creed*. For over seven decades, Optimists have promised to recite and to live by the tenets of *The Optimist Creed*.

With purposes clearly defined and a Creed--a powerful tool for living-- Optimist International has continued to grow and flourish. Women were invited to join the Optimist organization in 1987. In the 1990’s the organization began serious efforts to expand outside North America.

This is the heritage of *your* organization. In this rapidly-expanding world, there doesn’t seem to be any such thing as too much optimism. Thank **YOU** for continuing to add to the legacy.

THE OPTIMIST MISSION STATEMENT

By providing hope and positive vision, Optimists bring out the best in youth, our communities and ourselves.

THE OPTIMIST VISION STATEMENT

Optimist International will be recognized worldwide as the premier volunteer organization that values all children and helps them develop to their full potential.

THE OPTIMIST CREED

Promise Yourself . . .

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all of your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

YOUR CLUB

Every Optimist Club was formed by people like you and me. Optimist Clubs reach out and help the community. Members of an Optimist Club usually live in or work in the community. Members have joined together to serve others and to promote Optimism as a way of life.

Each Optimist Club is chartered as a member of Optimist International. This gives the Club the right to use the Optimist name and provides each Club with services and programs offered by Optimist International.

Each Optimist Club operates *autonomously*. This means they operate *independently* of each other. They choose their own activities, elect their own officers and raise their own funds. A Club's service activities are based on the needs of the community. What a Club *can do* is limited *only* by the imagination and resources of the members.

Optimist Clubs *do* share certain likenesses. This offers you, the member, the assurance of knowing *wherever* you are, should you wish to attend an Optimist Club's meeting, certain components will be the same.

Clubs meet on a regular schedule. Members share fellowship and a meal at that meeting.

Little, if any, business is conducted during an Optimist Club's weekly meeting. There are two exceptions to this rule - the election of the Club's new officers and a request by the Club's Board of Directors to take a motion to the membership.

OPTIMIST MEMBER HANDBOOK

The programs and guest speakers offer the members an opportunity to learn, grow and improve themselves. The program often features the youth in the community, as in the Essay and Oratorical Contests or in the Youth Appreciation. These meetings help to reinforce our commitment and allow us to take pride in our accomplishments!

THE ORGANIZATION OF AN OPTIMIST CLUB

The decisions of an Optimist Club are made by the Club's **Board of Directors**. The Board of Directors determines policies, makes long term and short-term plans, approves and deletes members, supervises Club activities, activates Club Committees, provides for the annual review of the books, fills vacant offices between elections and determines causes for a plan to correct member loss and low attendance. The Board includes the President, Secretary-Treasurer, Vice Presidents, Past President and four to six (depending on the Club's size) elected Directors. The President, Vice Presidents, and Directors (at least two of the Directors are elected to serve on the Board for two-year terms) are elected by the

membership; the Secretary-Treasurer is appointed by the President. Those serving a two-year term of office help ensure there is a continuity and constancy of the Board.

Officers

The **Club President** is of primary importance to the effectiveness of an Optimist Club. It is the President's responsibility to coordinate and encourage implementation of Club programs and policies, preside at Club and Board meetings, organize and run good meetings, direct the Club in meeting the goals set in the Clubs' *Annual Club Planning Conference*, to see that all members are contributing members, represent the Club at all District meetings and represent the Club to the community and various levels of Optimist International.

Vice Presidents act as liaisons between the Board and Committees, preside at Club and Board meetings in the President's absence, performs duties ordinarily incumbent upon Vice Presidents, and performs duties assigned by the President.

The **Secretary-Treasurer**, although appointed by the President, must be approved by the Board. The duties of the Secretary-Treasurer include maintaining the minutes of the Club and Board meetings, receiving and disbursing all Club funds, keeping financial records, handling the Club's correspondence, preparing and filing the Club's reports, maintaining membership, awards and attendance records. The Secretary-Treasurer also represents the Club at all District meetings. Some clubs have a separate Secretary and Treasurer.

To assist in optimum leadership, many Clubs have developed the office of **President-Elect**. The President-Elect spends a year observing and learning the responsibilities of the office of President.

Other optional appointees may be a **Sergeant-at-Arms, Chaplain and Parliamentarian**.

Board meetings are "open" meetings. Any member may attend a Board meeting.

When you completed your *Application for Membership*, there was a section called "*Member Interest Finder*." The information you included in this section will be of value in finding the Committee(s) to which you are assigned based on Committee openings. If you have a preference, speak up! You will receive greater satisfaction and benefit in participating in your Club's activities through Committee membership.

Standing Committees

- **COMMUNITY SERVICE:** Determines, plans and supervises community service projects. A special Committee usually conducts each project. Projects include those which are suggested by Optimist International as well as those which may be unique

to your Club and community. Each Committee should complete a Community Project Activity Book as a guide for the Club.

- **FELLOWSHIP:** It is the responsibility of this Committee to stimulate attendance, greet members and guests, arrange for meeting facilities and menus, plan social functions and to arrange visitation to other Optimist Clubs.
- **FINANCE:** Plans and supervises the budget. Researches and recommends fundraising projects.
- **MEMBERSHIP:** Plans and organizes a year-round program for acquiring new members. Maintains a strong program of education and involvement for new members.
- **NEW CLUB BUILDING:** Conducts all activities involved in sponsoring a new Optimist Club.
- **PROGRAM:** Develops and carries out plans to provide interesting programs for Club meetings.
- **PUBLICITY:** Creates a new program that will build favorable community responses and inform the community of the Club's activities. Edits and publishes the Club bulletin. Compiles the Club scrapbook.
- **YOUTH ACTIVITIES:** Determines, plans and supervises youth serving projects. A special Committee conducts each project.

Optimist International Programs

In addition to the Standing Committees, Optimist International has a series of *activities programs* for use by Optimist Clubs. Your Club may use any of these programs, along with projects your Club creates on its' own.

- **ORATORICAL CONTEST** - since 1928, Optimists have conducted this speech contest for youth. Held during April and May, Club contest winners advance to Zone, area and District competition. Scholarships totaling over \$150,000 are awarded to District winners. Speakers must use the official topic chosen by Optimist International.
- **COMMUNICATION CONTEST FOR THE DEAF AND HARD OF HEARING** - Similar to the Oratorical Contest, this communications contest offers the deaf and hard of hearing youth the opportunity to compete using oral or sign presentations. Scholarships are given at the District level. This and the Oratorical Contest use the same official topic.
- **ESSAY CONTEST** - In the early fall, high school students write short essays on an assigned topic regarding freedom. Club, District and International winners are chosen.
- **OPTIMIST INTERNATIONAL JUNIOR GOLF CHAMPIONSHIPS (OIJGC)** - For almost 20 years the Optimists have been involved in the fantastic sport of junior golf. Many of today's leading golf pros found their training ground in Optimist-sponsored tournaments. Most Districts currently participate in the sport by organizing a series of golf events for youth. The pinnacle of the golf program is the

OPTIMIST MEMBER HANDBOOK

OIJGC, a prestigious Optimist-owned event where juniors compete with the best at a world class golf facility.

- **YOUTH SAFETY** - Teaches young people safe cycling, roller blading, skateboarding, in-line hockey, school bus safety, etc. Some Clubs hold bike rodeos, bicycle inspections and safety clinics.
- **RESPECT FOR LAW/PROMOTION OF NONVIOLENCE** - The importance of law enforcement and citizen support, as well as ideas on promoting a non-violent society, are highlighted by special events hosted by Optimist Clubs.
- **YOUTH APPRECIATION WEEK** - Optimist Clubs hold events the second week in November to celebrate the positive contributions of young people.
- **TRI-STAR SPORTS** - Optimist Clubs host skills competition for young people.

HOW DO I PAY FOR ALL THESE ACTIVITIES?

An Optimist Club does not expect members to fund activities.

An Optimist Club has two sources of money: member dues and income from fundraising projects.

Member dues cover administrative costs and a portion of the cost of youth and community service work. Administrative costs include the Club's internal operational costs (postage, printing, supplies and dues to your District and Optimist International). Some Clubs *do* "fine" members, hold raffles at Club meetings, have a White Elephant meeting or carry on other activities which add to the Club's internal funds.

Most of the money needed to run service projects comes from fundraising activities held in your community. Optimist International can assist your Club in fundraising by providing a list of tried and true fundraising activities. Other activities can include the sale of products, Christmas tree lots, rummage sales, dances, booths at local functions, pancake breakfasts - your Club's fundraising is limited *only* by the resources and imagination of its members! All income from fundraisers is returned to the community in the form of service projects for youth. Fundraisers have another purpose. They can become *fun*-raisers for your members and they offer an opportunity to let others in the community know what an Optimist Club sponsors!

To assist members, Optimist International provides a wide range of workshops and handbooks. Training workshops in all facets of Club operations are conducted by experienced leaders at District meetings and at the International Convention.

YOUR ZONE

THE ORGANIZATION OF A ZONE

YOUR Club is part of a **ZONE**. A Zone consists of several Optimist Clubs within a geographical area. The Zones within a *District* are recognized by number (Zone 1, Zone 2, etc.).

My Club is in Zone _____.

Lieutenant Governor

A **Lieutenant Governor**, who represents the **Governor** and **Optimist International**, is in charge of the Zone. Zones do not have officers, Directors, collect dues, raise money, conduct activities, or have legislative authority. The purpose of a Zone is to promote better fellowship, organization and communication between Clubs. The District Board of Directors has the authority to align the Clubs within a Zone.

In order to run for the office of Lieutenant Governor, you must have served as a Club President. It is customary for the *home* Club to draft a letter of support, listing the candidate's qualifications, and mail it to each Club in the Zone. Presidents within a Zone

elect the Lieutenant Governor (usually at the third quarter conference). The Lieutenant Governor acts as a facilitator and trainer for the Clubs within the Zone.

Responsibilities of a Lieutenant Governor

A Lieutenant Governor shall:

- Maintain close personal contact with Club Presidents and Secretary-Treasurers.
- Conduct Annual Club Planning Conferences (ACPC) with each Club.
- Install Club officers.
- Visit Club as many times as necessary-at least twice a year.
- Submit all mandated reports on time.
- Sponsor a new Club.
- Be an active member of the District Committee and Board.

My Lieutenant Governor is: _____.

Zone Meetings

ZONE MEETINGS are held *at least* four times a year. Zone Meeting Reports are completed and distributed according to the instructions on the form. The Lieutenant Governor shall preside at all Zone meetings.

The purpose of Zone meetings is to open communications to the Clubs within the Zone; to share information between Clubs and Zone; to coordinate joint Club ventures; to promote Optimist International programs; to offer fellowship and to provide on-going motivation and training.

It is required of Club Presidents and Secretary-Treasurers to attend Zone meetings. Since often speakers at a Zone meeting are from the District, offering important information on required service projects, it is a good idea to have Committee Chairs attend as well. A Zone meeting is an open meeting and an additional way for a member to find out information, take advantage of training, and learn more about the operations of an Optimist Club.

YOUR DISTRICT

THE ORGANIZATION OF A DISTRICT

In accordance with policy set by the International Board of Directors of Optimist International, Clubs are divided into administrative subdivisions called *Districts*. Districts usually follow state or province lines and *each* Optimist Club is assigned to a District.

Districts collect dues, conduct meetings, conferences and conventions. Districts do not conduct projects or activities not authorized by the International Board of Directors.

The Governor: The Governor is the Chief Executive Officer of a District's organization. The Governor sees that the policies, programs and purposes of Optimist International are carried out within the District. The Governor should provide leadership and motivation. In addition, the Governor calls and presides at all District Board of Directors meetings, meetings of the Executive Committee and the District Convention; appoints Committees and Chairs required by Optimist International; ensures the financial responsibilities of the District are met; and is the liaison between Optimist International and the District's Clubs.

The Governor is elected at the District's annual convention, a year prior to taking office. Each Club has a specified number of votes to cast based on membership. In order to run for the office of Governor, one must first have served as a Club President and a Lieutenant Governor. The Governor-Elect spends a year preparing for the office of Governor serving on the District Board of Directors, Executive Committee and Candidate Qualifications

OPTIMIST INTERNATIONAL

THE ORGANIZATION OF OPTIMIST INTERNATIONAL

Optimist International is an association of affiliated Optimist Clubs located throughout the United States and its territories, Canada, the Caribbean, Mexico and worldwide. The structure of Optimist International begins with the Club and expands into Zones, Districts and then to Optimist International.

Representatives of Optimist Clubs at the International Convention elect members to the **Board of Directors**. The Board includes the President, President-Elect, Immediate Past President and six Directors. The Board makes policy for the organization. The President

OPTIMIST MEMBER HANDBOOK

appoints members to the various *International Committees* which make recommendations to the Board.

In order to keep the lines of communication open and to understand the needs of Clubs, the International President, Vice Presidents and President's Representatives visit Optimist District meetings throughout the year.

Optimist International is primarily supported by dues from each Club which are paid four times a year. Other revenue comes from new Member enrollment fees, new Club charter fees and supply purchases.

In June, 1919, Optimist International was formed as a joint effort to guide and assist Clubs with their community service activities. Your Club receives important support from being a part of a large association. These include:

- International activity programs
- Training of Club and District Leaders
- Handbooks, ideas and materials aiding Clubs in service projects, membership, publicity, fundraising and all other areas of Club activity
- Incentive awards for successful Clubs
- Incentive awards for individuals
- The opportunity to grow through special education projects
- Special assistance to Clubs

International Convention

The *International Convention* is held annually, usually in early July. Clubs send delegates to the Convention. Delegates receive voting power (based on the Club's membership). Decisions on issues affecting the organization and the election of international officers are part of the business sessions.

The Convention offers workshops and training in all facets of Optimism. Special training programs are held for incoming Presidents, Secretary-Treasurers, Lieutenant Governors and Governors. The international faculty are some of the most knowledgeable and experienced Members of our organization.

The opportunity to meet with Optimists from other cultures and Regions provides for a very special fellowship during this annual Convention of Optimists.

This year, the Optimist International Convention will be held in

Optimist International Foundations

Optimist International has foundations which provide funding for specific international youth service programs. The Foundations are supported by tax-deductible contributions from Members and the public. The Foundations provide scholarships to District winners of the Oratorical Contest, and provide funding for the CCDHH and Essay Contests, and Junior Optimist International (JOI).

There are two Foundations:

Optimist International Foundation: The Foundation's Board of Directors grants funds to Optimist International each year for the development and improvement of International programs. Programs funded by the Foundation serve 1.5 million children annually. Optimist International Foundation depends on the support from Optimist Clubs and individual Members, the general public, businesses and corporations.

Canadian Children's Optimist Foundation: Founded in 1988, the Canadian Children's Optimist Foundation is a Canadian charity recognized by the Canada Revenue Agency. Formerly known as the Optimist International Foundation of Canada, it only serves the interests of Canadian Optimist members. All monies raised will remain in Canada and are distributed for purposes of funding, including OI Scholarships, Youth Club (JOI), OI Programs and Activities and the Optimist training offered to volunteers.

The Optimist Magazine

All Members receive a subscription to *The Optimist*. The magazine features articles on outstanding Optimist service projects, information to help Clubs and inform them on a multitude of subjects. Information and news about Optimist International programs and the Optimist Convention are also provided.

YOUR CLUB CAN RECEIVE RECOGNITION

To promote excellence in Optimist Clubs, Optimist International offers Clubs the opportunity to receive recognition for the work they do. Have you seen your Club's awards banner? Most Optimist Clubs have an awards banner to display the various awards won in previous years.

LEARN AND GROW WITH OPTIMISM!

In October of 1994, Optimist International introduced a new program for all Optimists. Personal Growth and Involvement (**PGI**) offers *you* the opportunity to grow while advancing through seven levels of service, fellowship and personal growth. On October 1, 2000, an additional three levels were added.

Participation gives Members the opportunity for personal growth at their own pace as well as providing new ideas for Club meetings. **PGI** also introduces Members to Optimist International's Skills Development Modules on various topics.

The *goals* of the **PGI Program** are:

- To allow participants to be recognized and appreciated for personal accomplishments.
- To give Members a program that will give them the opportunity to participate in long-term involvement.
- To give each Member the responsibility of his/her own involvement in the Club's activities.
- To offer personal growth to all Optimist Members.
